2 MEN HURT IN CAR CRASH EARLY TODAY

Two men were injured when their car left the highway and rolled 100 feet 2 1/2 miles north-west of York Springs this morning at 12:45 o'clock.

State police said Leon G. Baker, 25, Hanover, was driving toward York Springs on the Carlisle Rd. when his vehicle failed to negotiate a curve and the car left the road, went down a five-foot bank and rolled 100 feet. The 1954 auto was demolished with the loss estimated at \$600.

Baker suffered contusions of the chest, possible rib fractures and bruise burns. A passenger in his car, William E. Imler, 22, York, had multiple lacerations of the right forearm and hand, possible fracture of the right forearm and abrasions of the neck. The two men were removed from the scene to the Warner Hospital for treatment in the York Springs Fire Co. ambulance.

Two Mirrors Crashed
State police were called at 4:45 o'clock Monday evening to an accident 2 1/2 miles north of Hanover at Cross Keys. Police described it this way: "You've heard of a fender-bumper? This is a mirror mixup."

Clair J. Meckley, 32, Hanover, was driving a stake body truck south, the officers reported. George J. Golden, 37, Fayetteville, was driving north.

Police said the rear view mirror of the truck and the rear view mirror of the car collided causing \$10 damage to each mirror. Otherwise the vehicles escaped damage.

\$168,000 FOR RESERVE HERE OK'D BY HOUSE

A \$1,284,012,700 appropriation to finance military construction programs includes \$168,000 to be spent here, the Associated Press reported from Washington today. The bill was passed by the house by voice vote Monday and was sent to the Senate without amendment.

It was the House's last scheduled appropriation bill of 1959. The programs are for the fiscal year that started July 1.

The largest allotment, \$777,066,600, was for the Air Force.

The state-by-state breakdown includes:

Pennsylvania — Army: Letter-kenny Ordnance Depot, \$454,000; Air Force: Olmsted AFB, Middletown, \$1,421,000; Army National Guard: Johnston, \$375,000; Army Reserve: Allentown - Bethlehem, \$302,000; Brookville, \$30,000; Butler, \$136,000; Gettysburg, \$168,000; Johnstown, \$136,000; Meadville, \$168,000; St. Marys, \$168,000; Uniontown, \$220,000; Washington, \$136,000; Air Force National Guard: Pittsburgh, \$60,000.

PIED PIPER IS NEEDED HERE

Gettysburg had a load of garbage placed into its former dump Monday in the hope of keeping the rats there until exterminators today could bring death to the hundreds of the rodents reported migrating from the former dump.

Burgess Wilbur L. Plank was reported ordering the dumping when residents of the area found themselves in a battle with huge and hungry rodents which found their "grave train" cut off ten days ago when the dump was closed by borough order after receipt of orders to close from the state and Cumberland Twp.

The rats apparently continued feasting until the food supplies gave out, then started moving from the dump in search of food.

Strip Pear Tree
Hardest hit was the home of Mrs. Ruth Kelley, Gettysburg R. 1, located near the former dump. Mrs. Kelley reported to Mrs. Anna Drach, borough secretary, that the rats actually climbed and stripped a pear tree on the Kelley property. Mrs. Kelley said a patrol had to be established to kill off rats seeking to enter the Kelley house.

Neighbors in the area set up a skirmish line of 22 rifle shooters to kill rats and more rats to prevent the general movement from the area.

Residents of the southern edge of Gettysburg this morning saw rats entering the town, whether from the dump or elsewhere.

July Birth Rate Holds Steady At 95

Ninety-five births and nine deaths were recorded in the Gettysburg district during July, the registrar of vital statistics reported today. The nine deaths was the lowest number in any month since September, 1950.

All of the births, 46 males and 49 females were in Gettysburg. Six male and one female death occurred here and one male and one female death in Cumberland Twp. There were neither births nor deaths in the three other townships of the district, Freedom, Highland and Straban.

So far this year there have been 626 births, compared to 608 for the same seven months last year and 133 deaths, compared to 126 deaths. In July, 1958, there were 95 births and 20 deaths.

"PARADISE" OF HAWAII HAS PROBLEMS TOO

The "paradise of Hawaii" is not without its problems. Fred P. Haehnle Jr., member of the faculty of the University of Hawaii at Honolulu, told members of the Gettysburg Lions Club Monday evening at the Shetter House and listed land and the cost of living as chief among the economic problems of the 50th state in the U.S.A.

Mr. Haehnle, who is a Gettysburg native and graduate of Gettysburg High School and College, directs the teacher training service in the College of Education at the university, also told the clubmen about the wonderful climate, the informal living and the "guarantee of 360 days of sunshine every year."

He described tourists as the fastest rising industry in the new state and said 200,000 tourists annually leave \$100 millions in the islands. The military, new building construction and agriculture are chief industries of the islands. Sugar cane and pineapples are the top crops there, he said.

10 Hours From Baltimore
With temperatures averaging between 60 and 90 degrees and averaging about 75 degrees, children go barefoot to school through the elementary grades and informal dress for adults is the rule. Political campaigns are popularity contests with voting crossing party lines and no strong party swings apparent. A dozen races live harmoniously with none holding a strong numerical majority and most Hawaiian residents of mixed racial origin.

"If you're going to Hawaii, I recommend you go by air," Haehnle said. "When jet liner service is inaugurated across the Pacific in a few weeks, Honolulu and Baltimore will be only 10 hours apart," he added. Air is the most used means of transportation.

Castro To Tell How Plot Against Him Was Smashed

By ROBERT BERRELLEZ
HAVANA (P) — Fidel Castro was expected to take to radio and TV today to tell all about the first major conspiracy to overthrow his revolutionary regime and how his forces smashed it.

It was generally agreed the bearded leader would lump together big landowners affected by his land redistribution law and hooligans from Fulgencio Batista's army as the nucleus of the conspiracy. He was also expected to accuse anti-Castro forces, from the Dominican Republic to Miami, of helping.

Officials said the plot had been crushed. Unofficial reports said some 1,500 persons had been arrested. But a telephone blackout continued over Las Villas Province, in central Cuba.

Take To Hills
Remnants of an armed band that clashed with Castro's army Sunday reportedly took to the hills in the southern part of the province, where a number of con-

SIX WILL MAKE CANOE TRIP ON SUSQUEHANNA

Six members of the staff of area Boy Scout camp near Dillsburg, today started a canoe trip down the Susquehanna River which, if it proves successful, may be the basis for annual trips by Explorer Scouts following the regular camping season at Tuckahoe.

The Dillsburg area camp closed last Saturday after more than 1,000 youths had attended the seven weeks of camping. Among units attending the last week's session were Explorer Post 78 of Gettysburg, represented at the camp by James Roth, James Rohanna, Wayne Smith and Frank U. Linn.

Members of the camp staff volunteered to be the pioneers for the canoe trip down the Susquehanna which has been discussed for several years as a possible "Explorer Adventure" for the York-Adams area.

Three Types Craft
The six volunteers chosen will use three types of canoes for the trip which began today and will end August 26. An aluminum canoe, a wooden one and a cloth covered canoe will be used to determine the type preferable for the trip.

The group left Camp Tuckahoe (Continued On Page 3)

Two men have been called for induction by the local Selective Service Board and left here today. They are William F. Dillon, Orranna R. D., and Charles C. Fernbaugh, Mechanicsburg R. D. Fernbaugh served as leader.

Child Baptized In Orthodox Rites

Sandra Maria Meligakes, 14-month-old daughter of Mr. and Mrs. N. A. Meligakes, E. Middle St., was baptized in the rites of the Greek Orthodox Church, in the Prince of Peace Episcopal Church, Sunday afternoon at 5 o'clock. The sacrament was administered by the Rev. Constantine Vasilov, pastor of the Evangelimos Greek Church, York, assisted by the Rev. J. Harold Mowen, pastor of the local Episcopal church.

Miss Sofia Vardas, of New York City, niece of Mr. Meligakes, and Harry M. Houps, West Pittston, were the godmother and godfather.

The ceremony required 45 minutes. A reception for 100 guests followed at the Gettysburg Country Club.

After the ceremony each guest was presented a pale pink rose with two small streamers and a tiny gold cross. The occasion, date and names of the godparents and child were printed on the streamers.

EXPLORERS TO EXPLORE CITY AT MIDNIGHT

Explorers of the Black Walnut Boy Scout District, their leaders and parents will have an opportunity to see "Philadelphia at Midnight" Friday night and Saturday morning on a tour arranged by the Philadelphia police.

Timothy E. Farrell, Gettysburg R. 4, deputy district commissioner for Exploring, today received word from the City of Philadelphia that approval has been given to the request by the Black Walnut Explorer Scout Council for a tour, under police supervision, of Philadelphia "after midnight."

The Explorers, parents and leaders will meet at 6 o'clock Friday night at the Gettysburg High School parking lot to form a convoy to Philadelphia.

At 13th and Juniper Sts. in Philadelphia the convoy will be met at 10:30 o'clock Friday night by Officer Vincent Giamporcaro, who will act as escort.

To Visit City Hall
At 11 o'clock they will visit City Hall, see the mayor's reception room, city council chambers, the police and fire commissioners' offices and the detention bureau offices and attend a session of night court.

At 1 o'clock the group will move to municipal pier No. 11 where they will visit the police (Continued On Page 2)

PLAN CHURCH PICNIC

The Methodist Church and Sunday School picnic will be held Thursday, rain or shine, at the South Mountain Fairgrounds, near Arentsville. Transportation will be furnished from the church at 4 and 5:30 p.m.

MRS. EBERHART INTERLOCUTOR FOR MINSTREL

A minstrel show was presented Monday evening by the Auxiliary of the Gettysburg Fire Department at a meeting in the Adams Electric Cooperative building, rear of N. Stratton St., at which members of the Cashtown Community Fire Department Auxiliary were guests. Seventy-five attended.

Mrs. George Eberhart was the interlocutor for the minstrel show. The "end men" were Mrs. Francis Yingling, Mrs. Joseph Sanders, Mrs. Eugene Sanders, Mrs. Herbert Fetters, Mrs. Donald McSherry and Mrs. G. H. Roth.

The president of the Gettysburg Auxiliary, Miss Jane Stallsmith, announced that the members of the auxiliary will leave the Gettysburg High School parking lot by bus at 7:30 p.m. August 17 to go to Totem Pole Playhouse to attend a performance there. Those who have not signed so far are to make reservations by Wednesday by calling either Mrs. Guyon Buehler or Miss Stallsmith.

Plan For Picnic
Preliminary plans were made for a family picnic to be held August 26 at the Recreation Park at 6:30 p.m. Plans were also made for a rummage sale October 17.

The next regular meeting will be held September 14 at the former CCC Camp, W. Confederate Ave.

Members of the refreshment committee for Monday's meeting were Mrs. David Baker, Mrs. Jacob Small, Mrs. Paul B. Fox, Mrs. Donald Staub, Mrs. Roy Milmans, Mrs. John Codori, Mrs. Walter Johnson and Mrs. Robert Neary.

BERMUDIAN BOARD HIRES NEW TEACHER

John D. Smarch, Chambersburg, was elected social studies teacher for the York Springs unit, Bermudian Springs High School, at a meeting of the joint school board Monday night at York Springs. As a beginning teacher he will receive an annual salary of \$3,800.

Smarch is a graduate of Shippenburg State Teachers College.

The board granted professional contracts to three other teachers who have completed two years of satisfactory service. They are John A. Rebert, guidance counselor; Robert Murphy, physical education teacher, and Mrs. Ida Fleagle, physical education teacher.

Mrs. Jean Spangler was employed as a part-time cafeteria worker in the East Berlin cafeteria, succeeding Mrs. Mollie Menges who resigned.

Talk Of Merger
The possibility of promoting a merger of the school districts in the Bermudian Springs jointure was discussed with members indicating interest in further investigation of the merger advantages.

The board passed a resolution of commemoration for the late P. L. Hoover, member of the joint board from the Conewago Independent district, who died recently.

Donald Wagner, representing Philip Dunn, Gettysburg accountant, presented an audit report. A representative of Buchart Associates, architects planning the new high school, discussed with the board several matters in connection with interior finishes and fixtures.

Get State Extension
The board decided that it will have police protection for all varsity athletic contests in the future. Police have been employed for some games in the past.

Amos D. Meyers, supervising principal, reported on the hearing July 23 on the Department of Labor and Industry order for changes in the district's elementary buildings to comply with fire (Continued On Page 3)

CHARGES DROPPED

James Snyder, Gettysburg R. 2, has withdrawn the disorderly conduct charges he filed August 4 against Thomas J. Myrick and John W. Emerson, both of Gettysburg R. 2. The defendants paid the costs in the case, according to Justice of the Peace John O. Whitman, Cumberland Twp., who had scheduled a hearing in the cases on Wednesday. Emerson has moved to Battle Creek, Mich., the justice said.

More Foreign Language

Announcing expansion of the foreign language program in the high school in the term that opens next month, Superintendent Riegle said:

"During the past several years there has been considerable emphasis put on the importance of foreign language study in American high schools. National leaders from many walks of life have urged that more than two years of a foreign language should be given in high school. This year we are offering a third year of Latin and a third year of Spanish. I want to discuss at a later date with the teacher and curriculum committee the matter of offering next year a third year of French in our high school."

Substitutes Approved
These persons were approved as substitute teachers for the high school: John Anderson, Mrs. Mary Lou Burkholder, Mrs. William Coradetti, Mrs. Betty Ecker, Chester Hilger, Mrs. Elizabeth Hull, Miss Ruth McIlhenny, Mrs. F. C. Mason, Mrs. Edith Reinhart, Mrs. Donald Scott, Mrs. Grace Sheely, Mrs. Howard Shoemaker and Mrs. John Naugle.

This list was approved for the grades: Mrs. Gilbert Elker, Mrs. Mabelle Forney, Mrs. Ann Freed, Mrs. Gladys McCauslin, Mrs. Howard W. Miller, Mrs. Sally Musselman, Mrs. Margaret Scott, Mrs. John Weaver, Mrs. Julie Staley and Charles Gentzler.

The Gettysburg High School will operate on a seven-period schedule during the coming year instead of on a six-period schedule as has been done for a number of years. Mr. Riegle told the board. He said it was "physically impossible to (Continued On Page 3)

TWO VISITORS SPEAK TO CLUB

Gettysburg Kiwanis members learned Monday evening at their meeting at Bren-Da's Luncheonette of the great interest the local battlefield can be to a tourist.

Among guests at their dinner was Harrie Whitney, of LaCadena, Calif. Whitney, assistant principal of a 1,000-student junior high school in California, is on a year's leave of absence from his school duties touring historical sites of the nation in a trailer, accompanied by his wife and four-year-old child. Whitney told the group he has already spent more than a week making a thorough study of the Gettysburg Battlefield area.

Another guest at Monday's meeting was John Y. Crow, formerly of Gettysburg, now of Baltimore.

Most of the program period was devoted to details of the activities of their home clubs given by the visitors.

President Robert McCoy presented past president Harry Spangler with a three-year perfect attendance tab.

President McCoy announced the annual inter-club picnic will be held with the Chambersburg Club at Caledonia State Park next Monday evening at 6 o'clock. Members are asked to make reservations with the club secretary, the Rev. Harry Fehl Jr., by Wednesday. Horseshoe pitching and tall storytelling are among features scheduled for the picnic.

GOP Leaders Tell Ike His Labor Bill Will Pass House

WASHINGTON (AP) — Republican congressional leaders predicted to President Eisenhower today that his labor bill backed by the President will pass the House.

House GOP Chief Charles A. Halleck of Indiana said he expects that outcome even though he said, "Mr. Hoffa's people are here with all sorts of threats, trying to get the Hoffa bill through."

Halleck referred to James R. Hoffa, president of the International Teamsters Union. By the Hoffa Bill, he said he meant the one sponsored by Rep. John F. Shelley (D-Calif.).

Shelley's bill is less far reaching than the Landrum-Griffin measure which Eisenhower has endorsed.

The Republican congressional chiefs made their forecast as the House headed into its most bitter fight in a decade over the shape of management-labor control legislation.

DUMP POISON IS DANGEROUS

The Gettysburg borough's abandoned dump is off limits for at least a month.

A representative of Vogel-Ritt, the exterminating firm which has the contract to rid the closed dump of rats, warned today that there is no antidote for the poison being used to kill the rats. He reiterated the caution issued Monday by Burgess Wilbur L. Plank that all persons and pets should avoid the dump area.

There is danger also, the exterminator said, of secondary poisoning. That is, if a dog should eat a poisoned rat, the dog may die as a result.

It is anticipated that a 70 per cent kill will result from the first poisoning effort. A subsequent operation will use a different method of poisoning.

The danger will remain until the dump has been filled in which is expected to be in about four weeks, he said.

MRS. CONOVER DIES MONDAY

Mrs. Sarah Edna Conover, 75, widow of George M. Conover, 12 E. King St., Littlestown, died Monday morning at the Warner Hospital after having been a patient there for several weeks.

She was a daughter of the late John and Josephine (Little) Keitel. Her husband died February, 1956. Mrs. Conover was a member of Redeemer's Church of Christ, Littlestown; the Ever Faithful Bible Class of the church and the Women's Guild.

Surviving are two sisters and a brother: Mrs. Emma Jane Shifman, East Orange, N. J.; Mrs. Bessie Bollinger, Hanover, and Charles R. Keitel, Palmyra; these step-children, Mrs. Margaret Wehler, Littlestown; Mrs. George Bemiller, Silver Run; G. Kenneth Conover, Morristown; Mrs. Glenn Patterson, Hanover, and Samuel D. Westminster. There are eight step-grandchildren and two step-great-grandchildren.

Funeral services Wednesday afternoon at 2 o'clock at the Little Funeral Home in Littlestown with her pastor, the Rev. Glenn Flinchbaugh, officiating and with interment in Mt. Carmel Cemetery, Littlestown.

Friends may call this evening at the funeral home.

ADAMS NATIVE DIES IN FLORIDA

Allen Harrison Diehl, 65, Holly Hill, Fla., a native of Adams County and a resident of the New Oxford area until about 20 years ago, died in Halifax Hospital, Daytona Beach, Fla., Sunday evening at 5:45 o'clock after having been in failing health for some time.

Mr. Diehl, who was a retired civil engineer, was a son of the late Alexander C. and Madeline M. (Feltz) Diehl. In 1939 he moved from the New Oxford area to Pittsburgh and then eight years ago went to Florida.

He served in World War I with the 15th Engineering Corps and was with occupation forces in Germany. He was a member of the American Legion Post No. 50 at Daytona Beach.

Surviving are his widow, the former Gwendolyn Mages; a brother, John C. Diehl, Erie, Pa., and two sisters, Miss Betty Diehl and Mrs. Eric F. Larson, both of Gettysburg.

Funeral services Friday afternoon at 2 o'clock at the Fred F. Feiser Funeral Home at New Oxford with the Rev. Amos D. Meyers, pastor of the Emory Methodist Church at New Oxford, officiating. Interment in the New Oxford Cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

Plan Kindergarten Again This Fall

The education committee of Christ Lutheran Church Monday evening at a meeting at the church voted to resume the week-day kindergarten for children aged four and five at the church this year, starting September 8, and continuing through May.

Mrs. Howard Bream, who taught the 20 who attended the school last year will again be the instructor. Dr. Robert Bloom, chairman of the education committee said today.

With 22 already enrolled, a maximum of 24 for the class was set. Parents wishing to enroll children are to call the church secretary.

The kindergarten is scheduled to open in the new education building being constructed beside Christ Lutheran Church. The building is to be completed prior to that date according to present plans.

Mr. Smith will begin his senior year at Lafayette College and is a member of Sigma Alpha Epsilon fraternity. He is a graduate of Gettysburg High School.

Wedding plans are incomplete.

ADVERTISE IN THE TIMES

FRUSTRATED GOV. LONG TO GO TO PEOPLE

BATON ROUGE, La. (AP)—Frustrated Gov. Earl K. Long today planned to "carry my fight to the people" after a rebellion Legislature killed his special session before it was an hour old.

Long, trying to rally forces after a stunning and swift defeat, had his sights set on a downtown New Orleans rally tonight — home grounds of his political foe, Mayor DeLesseps Morrison, one of his opponents in the December Democratic gubernatorial primary.

The governor had little or nothing to say to newsmen after he shuffled from the Legislature ashore, behind him the echoes of lawmakers applauding their adjournment victory.

Brush Defeat Aside But his cronies brushed aside the sudden end as an act of defiance. They contended that Long, now cast in an underdog role, would make political hay out of the incident.

"This will mean 100,000 votes for the governor," said Lt. Gov. Leth-er Frazier.

Frazier, who presides over the Senate, was unsuccessful in holding back an adjournment stampede, after news got to the Senate of the House's vote to quit.

Rep. Ben Holt of Rapides Parish, a disenchanted Long supporter, led the move to end the 2-day session, which would have cost an estimated \$148,000.

Holt said the session "was called for vindictive and personal reasons."

Many members listening were leery of possible new wild outbursts from Long such as those which came at the much-publicized fiscal legislature in May.

Long later collapsed and was spirited by his wife to a Galveston, Tex., mental clinic.

PRESIDENT TO RETURN TODAY

President Eisenhower cleaned up some long-standing Washington appointments today before hopping back to Gettysburg for a vacation.

He was expected here early this afternoon.

One was to greet the National Rural Letter Carriers Assn., which opens its convention in Washington today.

The vacation, with golf at the top of the menu, will include considerable work leading up to the President's meetings late this month in Europe with leaders of the Western alliance. He is expected to remain in Gettysburg until near the time of his departure Aug. 26.

Eisenhower Monday set up a summer White House office in a three-room suite of the Hotel Gettysburg.

His conferences with European leaders are a prelude to the visit of Soviet Premier Nikita Khrushchev that starts Sept. 15.

Rush Of Buying Bolsters Stocks

NEW YORK (AP)—Buyers rushed into the stock market today and pushed prices up. The ticker lagged behind transactions.

Most stock groups participated in the upsurge, which came after the sharpest price break of the year Monday. There were some stocks which failed to join the advance.

An estimated \$5,400,000,000 was sliced from the market value of listed stocks in the plunge.

Market experts described the drop as a technical correction, which had been overdue after a sustained rise.

LOTT SERVICES HELD

Funeral services for Walter J. Lott, 7, who died Saturday morning at his Gardners home, were held Monday afternoon at 2 o'clock at the Bender Funeral Home with a former pastor of the local Presbyterian Church, the Rev. Dr. Frederick B. Crane, Hazleton, officiating. Interment was made in Evergreen Cemetery. The pallbearers were Eugene Albright, Earl Garretson, Charles Trump, Harry Geiselman, Archie Guise and Richard Tate.

WASHINGTON (AP)—The Senate Banking Committee in a surprise move voted 8-7 today to recommend that the Senate override President Eisenhower's veto of the \$1,375,000,000 housing bill.

The full committee had been expected to accept a recommendation made a week ago by its Housing subcommittee that the effort to override be dropped.

The subcommittee had written a pared-down \$1,050,000,000 bill in an effort to meet the President's objections to the original housing legislation.

RESCUE DOG FROM SEWER

CHICAGO (AP) — An Alaska woman wriggled inside a muddy sewer pipe for a happy but messy reunion with her lost dog Monday, ending three days of search for the little pooch.

Dorothy Hudson, 35, of Anchorage, interrupted her vacation in Miami, Fla., last Friday and flew to Chicago when she learned her dog, en route to her in another plane, had escaped from a crate at Midway Airport.

She tramped through fields near the airport over the weekend in search of the 11-year-old dog, named Wahine. Newspapers and animal welfare league officials alerted the public to watch for

tion between the Hawaiian islands and planes run there "like buses." The speaker described crowded conditions on Oahu, the main island. With half of the island sheer mountains and uninhabitable, 40 per cent of the remainder is taken up by military posts and large estates so that the island's 450,000 population is crowded into the remainder. Other islands of the group bring Hawaii's total population to about 600,000.

More Problems Ahead

Building lots are sold by the square foot instead of the front foot and a lot "like one you see in Colt Park" would cost from \$25,000 to \$40,000 there," Haehnlen said. Much of the land is leased rather than sold and Haehnlen foresees major problems ahead when lessees who have built apartment houses and dwellings on leased land reach the end of their 55- to 65-year leases.

He estimated the cost of living in Hawaii at 30 per cent above Washington, D. C., and said federal employees there are given a 25 per cent bonus to offset high living costs. He estimated that 50 per cent of most of the articles used and consumed on Hawaii are imported and pointed out that contributes to their cost. Gasoline is 45 cents a gallon there.

Haehnlen was introduced by Program Chairman M. H. Nichols. Among the guests were Fred P. Haehnlen, the speaker's father, a former member of the club. President Douglas W. Smith presided at the meeting.

The club adopted its budget for the coming year which provides for \$2,500 donations from the charity fund. That amount also is to be raised for the same fund.

A donation of \$100 was voted to the Adams County Free Library.

Plans were announced for the annual Lions' family picnic next Monday at the Recreation Park and committee meetings to complete preparations for the event were held after the club session. Fifty-five attended the meeting.

Robert Military Rites Are Held

Funeral services were held on Monday morning for J. Ruhl Rebert, 39, of Fairfield, who died at the Veterans Administration Hospital, Lebanon, on Friday evening. Friends met at the Wilson Funeral Home, Fairfield, at 9:30 and from there went to St. Mary's Catholic Church for the requiem mass at 10 o'clock. The Rev. John J. McNulty officiated and interment was in the church cemetery.

Pallbearers were Allen Shiner, Ira McLaughlin, Murray Stoner, Robert Davis, Doyle Rebert and Clark Rebert.

Military rites were conducted by the Charles J. Gilliam Armvets Post 172, of Fairfield, by the following:

Guards evening of viewing: Paul McLaughlin, sergeant of guards, Roy Baker, Calvin Riley, Raymond Miller, Charles Wilson, Walter Preston, Frank Lowe, Melvin Slinger and Harry McDannell and William Izer, alternate; color guards at funeral, Chester Shriver, commander, Paul McLaughlin, Kenneth Weikert, Frank Lowe, Charles Wilson and William Izer; firing squad, Melvin Slinger, sergeant, Walter Preston, Frederick Naugle, Calvin Riley, Harry McDannell, David Cool, Delbert Haines, Martin Bentz and J. Edward Kerrigan. Taps was played by the post bugler, Carson Lowe.

550 For Boy

Monday Bruno Stahlbusch, 14, of Elk Mound, Wis., who is vacationing in Chicago, spotted Wahine peeping from a sewer pipe used as a culvert. Mrs. Hudson was notified.

One end of the pipe was blocked off. At the other end, neighborhood children formed a v-shaped cordon and Mrs. Hudson went inside after her pet.

Emerging, the muddy dog was licking Mrs. Hudson's muddy face. Before she took Wahine to a motel, Mrs. Hudson spotted the boy who found the dog and gave him \$50.

USAF CANCELS PROGRAM IN PLAN SWITCH

WASHINGTON (AP) — The Air Force has canceled a 100-million-dollar program for an advanced aircraft engine using high-energy chemical fuel.

It appeared to be another step in the switch from manned aircraft to rocket missiles as the chief instrument of modern warfare.

The Defense Department has been under heavy criticism for continuing development of expensive new manned aircraft programs instead of concentrating on missiles.

Knocks Out Plant

The contract cancelled Monday was for development of the General Electric Co.'s J93-5 engine. The action also knocks out of operation a new 45-million dollar chemical plant built by the Olin Mathieson Chemical Corp. near Buffalo, N.Y., which was to produce the fuel.

The J93-5 engine was an improved version of the J93-3. Both engines were slated for the B70 bomber and the F108 Rapier fighter-interceptor. These planes are designed to fly 2,000 miles an hour at altitudes of 70,000 feet.

An Air Force spokesman said the prototypes of these planes will not be affected by the cancellation. They will use the earlier J93-3 engine and still attain the planned speeds, he said.

FILE REPLY TO TITLE ACTION

William G. Munroe, Harrisburg, Hartford Fire Insurance Co. and Paradise Mutual Insurance Co. today filed an answer in Adams County court to the action to quiet title brought against them by Alton W. and Hallie A. Snyder, Gettysburg R. 2, over a mortgage on a Liberty Twp. property, owned by the Snyders, which burned February 5, 1955.

After the property burned the insurance companies paid Lillian B. Pryor, holder of the mortgage against the property, \$8,824.37 and took over the mortgage against the Snyders. The Snyders held that since the mortgage was paid off by the insurance companies the Snyders should have the property free and clear. The house on the property was completely destroyed by the 1955 fire.

Charge Arson

In their answer the insurance companies hold that Alton Snyder "intentionally burned down the dwelling house thereon or caused same to be burned down." A charge of arson had previously been brought against Snyder. On April 26, 1957, an Adams County jury found Snyder innocent of burning the structure.

The insurance companies also hold that suits brought by Mr. and Mrs. Snyder against them in York County to claim the property were dismissed. The York County court order attached to the reply said that the suits were dismissed because the Snyders did not bring suit against the insurance companies within a year after the fire.

According to their defense the insurance companies still hold that no suit can be entered against them on the matter because the suit was instituted more than a year after the fire.

BOB BOWMAN TRIES MOUND

PHILADELPHIA (AP) — Don't laugh. But are the Philadelphia Phillies going to convert outfielder Bob Bowman into a pitcher?

Bowman pitched three innings Monday night as the Phillies defeated the Washington Senators 3-1 in the 12th annual Philadelphia Junior Baseball Federation exhibition game.

Bowman struck out two in both the seventh and eighth innings, giving up a harmless single. But in the ninth, the Senators put together two hits and a walk for their only run.

Winner Ray Semproch allowed just two hits over the first six innings.

Wally Post drove in two Phillies' runs with two singles and Richie Ashburn batted in the other with a single off loser Hal Woodeshick.

Herman Killebrew, the Senators home run slugger, went 0-2.

safety requirements. Meyers said that it appears that the board will have a one-year extension to complete compliance with the orders which affect six of the district's buildings.

The board opened bids on the paving of a parking area at York Springs. That of West York Construction Co., York, was low at \$2,308. Bids were also submitted by Reisinger Brothers, Inc., Carlisle; Bashore Construction Co., Harrisburg; All-State Hanover Co., Harrisburg; and Dillsburg Construction Co.

An award was made to the Menchey Music Co., Hanover, to furnish a baritone horn at its low bid price of \$177.77. The contract to furnish lumber for shop use went to Brandt's Warehouse, East Berlin. Bids for other industrial arts and vocational agriculture supplies were referred to committee for further study.

Meyers was authorized to solicit bids for 60 new band uniforms.

Payment of current expenses of \$33,744.93 was authorized.

The need for two more high school teachers, in the fields of art and home economics, was reported by Meyers. The meeting was conducted by Ralph Tyson, board president, with 24 members present.

NEW FOREST FIRES IN CAL.

SAN FRANCISCO (AP) — Smoke hung over Northern California mountains today as firemen fought new flames in forests near Ukiah and Willits, about 100 miles north of San Francisco.

Every able-bodied man in Ukiah turned out Monday to save the city of 15,000. Women and children used garden hoses and buckets to wet roofs as wind-swept embers cascaded down from flaming forests just beyond city limits.

A ranger said fires near Ukiah had been set by children and hunters.

In southern California, 500 men ringed the Decker Canyon blaze near Lake Elsinore after it claimed 2 lives, injured 27 and burned 1,600 acres.

For five weeks blazes in tinder-dry California forests and brushland have kept firemen on the run. The state got less rain and snow than usual last winter and heavy rains are not due for months.

FATHER DIGS OUT BOY, FOUR; BURIED ALIVE

DES MOINES, Iowa (AP) — A desperate father dug frantically with his bare hands for almost an hour Monday to free his 4-year-old son, trapped by a ditch cave-in.

"The boy was screaming something awful," the father Ira Curtis said later. When the screams stopped, tension rose.

"He must be gone, he couldn't have lasted that long," a youth said quietly.

But finally Curtis, with the help of other rescuers, got young Billy out—alive. He was taken to a hospital, where an examination showed he had only a few bumps and bruises.

Three boys were playing in a ditch near Billy's home when the walls suddenly caved in. Billy's older brother, Donald, 9, was buried chest deep, and a neighbor boy, Marvin Connert, 8, was buried up to his neck.

Donald managed to free himself and ran for his father.

Police and fire departments were called.

The Connert boy had his head out, but he was moaning "I'm going to die, I'm going to die."

After more than 45 minutes of frantic work, Billy was lifted to safety.

this morning for Wellsboro where they will enter Pine Creek, a branch of the Susquehanna. They started down Pine Creek this afternoon headed for the river 38 miles away. They hope to complete the trip August 26 at Havre de Gras, Md. Overnight stays are scheduled at a number of Boy Scout camps and private camps along the way. Major dams along the way have been notified to arrange portages around the dams.

A full scale "log" is to be made of the trip which will be studied by York-Adams officials, along with the oral reports of the group, to determine the feasibility of the trip as an annual event.

The group making the pioneer trip include Patrick H. Roth, 220 S. Stratton St.; Richard Zarfoss, Red Lion; Larry Moore, Red Lion; William Bare, Lemoyne; Pete Fouch, Harrisburg and James Gold, York.

MARCIA RAY

Marcia Ray, associated since 1951 with The Spinning Wheel, magazine of antiques published in Taneytown, has been named managing editor. A graduate of the University of New Hampshire, she started her career as a teacher, late became a writer, a profession which she has tied to her other love, antiques.

Two Small Boys Burn To Death

SAN FAFAEL, Calif. (AP) — Two little boys played with matches in a basement room Monday. They burned the house down and died screaming in the flames.

Dead were Robert and Rocky Wilson, aged 3 and 2, youngest of the eight children of Mr. and Mrs. Woodrow H. Wilson.

A playmate, Barbara Stevens, 9, told police the boys were striking matches then stamping them out.

Barbara escaped from the basement, which had only one exit.

LOCAL GIRLS WIN

The Gettysburg Girls' softball team combined a strong hitting attack to down the Fayetteville girls 11-6, Monday evening on the Fayetteville diamond. Jenkins and Lang formed the winning battery.

JACKSONVILLE, Fla. (AP) — Gov. Leroy Collins foresees a small amount of integration in Florida schools this fall.

"It will be limited," he told a panel of newsmen on a national television program, Face the Nation (CBS), Sunday.

get all the required subjects, plus some electives into a six-period day." Some of the activity clubs of other years will be dropped this year, he added.

Confirm Contracts

The new high school principal, Clifford B. Snowberger, who with his assistant, Paul R. Mehring, have almost completed the high school scheduling for the coming year said the fourth period most days will be a "split period" to handle the lunch hour. Wednesdays or lyceum days will be eight-period days, he added.

The directors confirmed action taken last month by the supply committee. The action confirmed contracts awarded to Roberts and Meck, Harrisburg, for window shades for the Eisenhower School at \$2,819, the lowest offer that met specifications. The action also covered a contract for stage equipment for the new school at \$1,625 from the Carn's Window Decoration and Service Company. Supplies also were purchased for elementary music and supplies, high school audio visual equipment and miscellaneous furniture and equipment.

Get New Calendar

Superintendent Riegle paid special tribute to Messrs. Folkenroth and Paul Burkholder who have handled the complicated task of moving and re-moving elementary school furniture and supplies out of High St. and Meade Schools and finally into the new Eisenhower School after brief storage in other buildings.

Copies of the new, revised school calendar were distributed to the school board members. Copies already have gone to the teachers.

President R. D. Wickerham presided at the meeting with all member boards represented by a majority of their members. The treasurer's report from the First National Bank showed a balance of \$9,965 after expenditures of \$13,722 and tuition receipts of \$14,000.

The Gettysburg Lions Club was given permission to use the high school athletic field October 15 for a benefit football game at a rental charge of \$75.

Janitor Resigns

The board accepted a written resignation from a Meade School janitor, Samuel Laughman.

Bills totaling \$4,993 were ordered paid.

Superintendent Riegle invited the directors to attend the teachers' luncheon at Eisenhower School August 31.

State-required changes in the paint shop at the high school were

ASKS FOR NEW CONSTITUTION

A new state constitution and a one-house legislature were called for Monday by Rep. Francis Worley (R-Adams) who addressed the House to urge speedy action on a new basic law "for the best interest of the people."

In asking that a unicameral legislature be set up as part of the new constitution, Worley said, "We really only need one House. There is no real need for both a House and Senate and a single unit Assembly would 'have the taxpayers some money.'"

"What we need and should have it a short, concise, and new constitution for Pennsylvania. The present state constitution of 1873 has a lot of statutory laws placed there for the purpose of tying the hands of subsequent legislators. As a result the constitution is not adaptable to meet the changing conditions of our times nor will it meet change hereafter," Worley said.

"When we get a short constitution containing only the fundamentals of law, then we will have a state constitution that will live on for hundreds of years just the same as our Federal Constitution lives on for the reason that the Federal Constitution is short and concise and deals only with the fundamentals of law."

"There is nothing radical about the request to have a new state constitution because Pennsylvania has had four constitutions already since the signing of the Declaration of Independence."

COLTS AIMING TO BOLSTER BACKFIELD

WESTMINSTER, Md. (AP)—The Baltimore Colts aren't standing pat as they set out to defend their first National Football League championship.

One of the departments which Coach Weeb Ewbank thinks needs strengthening is offense backfield. He'd like to sign one who packs a little more weight than the average backfield, and who fills the bills in other respects.

So when a prospect comes along who apparently meets the requirements, the Colts don't care if he has been rejected by two other NFL teams.

Curley Johnson, a former University of Houston star, is the backfield making a bold move in the training camp to be among the 35 players on the regular season roster.

Johnson was dropped by the Pittsburgh Steelers just before the last exhibition game in 1957. Last year he was released by the New York Giants.

In the Colts' intrasquad game recently, Johnson was the leading ground gainer.

The 24-year-old backfielder will get another chance to impress his coaches Friday night in Chicago when the Colts play the College All-Stars.

TOUGH COURSE AT PORTLAND

By MATT KRAMER
PORTLAND, Ore. (AP)—The narrow fairways of Waverly Country Club took their toll as the week-long Western Amateur Golf Tournament opened Monday. Only nine players managed to better par.

Arthur Butler, chemical firm executive from Pasadena, Calif., and Dick Yost, former Walker Cup player from Portland, led the way with identical scores of 35-34—69 on the par 36-72 course.

The Oregon Amateur champion, Don Krieger, Portland, was next at 35-35—70, followed by six players at 71.

They were Bob Pratt, the Houston University golfer from Renton, Wash.; Dale Morey, 1953 Western Amateur champion from Indianapolis; Ron Lucetti, San Francisco; and three Portlanders, Robert Donnelly, Ron Isaacs, and Jerry Cundari.

Another 18-hole round today trims the field of 107 to 50. This is the last of the 18-hole days. Thereafter, it will be 36 holes a day. On Wednesday, medal play will cut the field to 16 for match play the rest of the week.

Littlestown Little League

Action was resumed in the Littlestown Little League Monday evening after Friday's game was postponed due to the firemen's parade. The Orioles continued their invasion on first place as they won the last place Pirates 21-6 on McSherry Field.

Robert J. Stonieser, president of the league, has called a special meeting of Little League officials, team managers, directors and parents, for this evening at 8:15 at the engine house. All are urged to attend.

169 ENTRIES IN MOTOR CITY

DETROIT (AP)—A bulky field of 169 entries made qualifying necessary today for the \$25,000 Motor City Open golf tournament.

The Professional Golfers' Assn. restricts the starting field to 150 and had 80 players here exempt from qualifying. That left 89 players to compete today over the Meadowbrook Country Club course for the 70 remaining spots.

Late withdrawals included Chandler Harper, Bo Winger, Don January and Ernie Vossler. But of the top 15 money-winners on the current tour, only one will be absent, Youthful Ken Venturi, recent winner of the Chicago Open, is passing up the Motor City event to be with his family.

No one dares pick a favorite. The field is so classy that host professional Chick Harbert has predicted that the 72-hole course record of 273 will be threatened.

Dr. Cary Middlecoff and Lloyd Mangrum each shot 273, bettering par by 11 strokes, in their dead-heat for the 1949 tournament. That was the year Middlecoff and Mangrum went 11 holes in a sudden-death playoff without deciding the championship.

Darkness set in, the match was called and Middlecoff and Mangrum became co-champions.

HYDROPLANE RACE IS CLOSE

SEATTLE (AP)—Cowboy Bill Stead rode the unruly Maverick of Lake Mead, Nev., to victory Sunday in the Gold Cup Speedboat Race and his churning wake left Seattle drenched today in sorrow.

Only one other time in 10 years has this hydroplane-happy city lost the Gold Cup—in 1956, when it moved to Detroit. The winner designates the site for the next race and William Waggoner of Phoenix, who owns the Maverick, is expected to set the defense for Lake Mead, where he bases the boat.

Stead's margin of victory over a local favorite—Bill Muncey in Miss Thriftway—was so small the unlimited hydroplane race was over for two hours before officials came up with the decision. Most of the crowd, estimated at more than 250,000, waited for the announcement.

PHILADELPHIA (AP)—Nineteen players have been selected to represent eastern Pennsylvania in the East-West American Legion II-Star game at Lancaster Aug. 29.

The squad was announced Monday following the 15th annual All-East All-Star contest which ended in a 1-1 tie after nine innings at Connie Mack Stadium.

Scouts from eight major league clubs chose first baseman Frank Petrellis, 17-year-old Roxborough High School ace, for the most valuable player award given annually by the Philadelphia Inquirer.

DETROIT (AP)—Burly Mike Souchak, who dropped out of the 1959 professional golf tour for three weeks earlier this year to lose some weight, says he plans another vacation after the Motor City Open.

Bears are near-sighted, but their keen senses of hearing and smell make up for this deficiency.

COLAVITO IS BACK ON BEAM; INDIANS WIN

By JOE REICHLER
Associated Press Sports Writer

Rocky Colavito, the guy who must hit if the Indians are to win the American League pennant, is back on the beam and all Cleveland fans are breathing easier today.

In 25 games before Monday night, Colavito managed only 17 hits in 94 times at bat for a .181 average and the Indians dropped from a first place tie with Chicago to three games in back of the league leading White Sox.

In five times at bat Monday Colavito, hammered a homerun, a double and two singles. He drove in two runs and scored twice to take personal charge of the Indians' 6-4 victory over Kansas City.

Gain Some Ground

The triumph inched the Indians up to within 2½ games of the idle White Sox.

In the only other league scheduled game, the New York Yankees defeated the Boston Red Sox 7-4 in 10 innings for their fifth straight triumph.

The Yankees staged a real Meriwell finish to defeat the Red Sox. Held to four hits and no runs through eight innings by Frank Sullivan, and trailing 4-0, they put together a walk, hit batsman and four singles to score four runs in the ninth to tie. Elston Howard, Heck Lopez, Cletis Boyer and pinch hitter Norm Siebern got the hits, all singles.

In the tenth, two walks and singles by Yogi Berra, Howard and Lopez, off loser Al Schroll and Nelson Chittum, produced three runs for New York.

Whitey Ford, fourth Yankee pitcher, was credited with the victory, his 12th against six defeats.

WASHINGTON (AP)—Cookie Lavagetto, an unusually mild-mannered manager, has changed his manner in an attempt to take up the listless and losing Washington Senators.

For 30 minutes Monday night, he sternly lectured his players, who have lost 22 of their last 23 games.

Lavagetto will see whether his new approach has worked when the last-place Senators open a two-game series against the Yankees in New York Wednesday night. They have no game today.

It didn't show any immediate results. Right after his lecture in Philadelphia, the Senators went out and dropped a 3-1 exhibition game to the Phillies, the National League's cellar team.

Fairfield Lions League

Mummasburg and the Amvets added victories to their win column as they defeated Cashtown and Fairfield respectively in the Fairfield Lions League Monday evening.

Mummasburg tallied runs in every inning except the third to win a 9-5 decision over Cashtown. Wilson doubled and singled for four trips to the plate to pace the winners while Tim Culp belted out three hits for the same number of at bats to lead the Cashtown attack. Wilson and Knipple tossed for the winners while Tom Duane and Floyd Flohr hurried for the losers.

The Amvets moved into a two-way tie for second place as they walloped Fairfield 12-0 in a game halted after six innings because of darkness. Fairfield and the Amvets are now one game behind the league leading Ortanna outfit with 10-3 records.

Four runs in the top of the fifth inning gave the Pirates an 8-5 win over the Giants, Monday evening in a Fairfield Little League contest.

A double by Cromwell, two singles and three Giant misuses accounted for the four winning scores. Wortz and Dick tossed for the winners while Deardorff hurled for the Giants. Cromwell paced the winners' hitting with a duo of safeties while the Giants were held to only two hits.

'IFFY' FUTURE FOR LIONS IN SEASON AHEAD

By DAVE DILES
Associated Press Sports Writer

DETROIT (AP)—If John Henry Johnson and Tobin Rote can come back and have good years, if the offensive line can provide protection for the passer, if the injury bug keeps its distance, then 1959 might be a pretty good year for the Detroit Lions.

Otherwise, the unpredictable Detroiters may be headed for another second division disaster in the Western Division of the National Football League.

The Lions are an "iffy" club and Coach George Wilson, though a confessed optimist, is the first to admit it.

Like Rookies

"We have the kind of club that could go either way," he explained. "We lost quite a

AUTO TOPPAGE

WORLD ON WHEELS

By FLOYD CLYMER

NO CHANGE IN VOLKS- WAGEN — During my recent visit to Europe I had a 30-minute interview with Dr. Heinz Nordhoff, managing director of Volkswagen-werke at Wolfsburg, Germany. This forward-looking, keen and alert boss of Volkswagen seems unworried at the prospect of the U. S. compact car cutting into Volkswagen sales in this country. He also told me that Volkswagen had no idea of changing their styling until at least 1961 or 1962. Volkswagen, like all other automotive manufacturers, has many different models that they constantly use for experimental purposes and for testing new ideas. VW made engineering improvement from time to time without affecting yearly models. Something Henry Ford did with his Model T for years.

After all, there is no reason why VW should change. With a waiting list of thousands in most countries and U. S. deliveries running behind for some three to ten months, depending on locality, I can't see where they have anything to worry about insofar as the necessity for a new VW model is concerned.

DR. NORDHOFF was extremely pleased at the tremendous popularity and sales of the VW in the United States. He further told me that he was pleased and elated when some of his competitors who were manufacturing small cars in Europe gave VW credit for cracking the U. S. and making the smaller and lighter car acceptable.

Volkswagen, who were able to produce and sell thousands of cars in the United States without

will spend over ten million dollars for the purchase of 4,500 U. S.-built compact cars. Orders have been placed for 3,000 and another 1,500 will be ordered soon. The first orders were placed for Chevrolet's Corvair, and orders for Plymouth's Valiant and Ford's Falcon will be given soon. Hertz' President Walter L. Jacobs, intends to rent the compact U. S. cars for a lower rate than the normal sized cars, but rates have not as yet been determined. He further believes that the compact U. S. car has a definite place in the car rental picture.

BRITISH FORD LEADS SMALL CAR SALES BY U. S. MANUFACTURERS — For the first half of 1959 the British Ford, with a total of 24,363 sales, won first place insofar as foreign cars imported by U. S. manufacturers is concerned. In second place was the German Opel sold by Buick dealers, with a total of 19,761 sales; while Chrysler's Simca was a close third with 19,171 sales. Vauxhall, sold by Pontiac dealers, was next, with 10,986 sales. Metropolitan sold by Rambler dealers, was fifth; and the German-built Taunus, sold by some Ford dealers, totaled 3,338.

It is interesting to note that in the sale of compact cars, Rambler sales during the same period were 190,000, or 54.4 per cent of the U. S.-factory controlled compact market. Studebaker's Lark accounted for 74,000 sales. Surprising is the continued popularity of the 6-cylinder engine — 72.8 per cent of 1959 Lark models sold to date had 6-cylinder power plants.

Khrushchev Gets Pentathlon Bid

HARRISBURG (AP)—Gov. Lawrence has asked Soviet Premier Nikita Khrushchev to attend the world pentathlon at nearby Hershey and to tour Pennsylvania when he visits this country next month.

Lawrence's invitation is being taken to Moscow by James R. Doran, editor of the Harrisburg Patriot-News. Russia will defend its world title in the five-sport pentathlon which will be held Sept. 25-30. Gen. A. H. Stackpole, who is heading arrangements for the event, already has invited the Soviet leader.

Lawrence also told Khrushchev, "We would want you to view our industrial facilities, our farms, our social institutions and our public buildings. You will find a tour of the type that I have in mind most instructional and most rewarding."

H&H MACHINE SHOP PROUD OF SERVICE WORK

H. and H. Machine Shop, 125 S. Washington St., can boast an owner identified with automobile repairs for the past 51 years and 18 employees representing a total of 245 years continuous employment with the same firm.

A. E. Hutchison, proprietor of H. and H., served his apprenticeship with the Crescent Auto Co. when it was operated by Clarence Redding. He then worked for the Batterman Gas Engine Co., manufacturers of stationary gasoline engines, and with the late William E. Codori, owner of the Central Auto Co.

The H. and H. Machine Shop was opened in Race Horse Alley in 1915 as a general automobile and miscellaneous repair shop. It also handled all kinds of repairs for farm and industrial machinery. While it continues to operate along the same lines, the shop has specialized for the past 20 years in steering and front wheel alignment, frame straightening and auto body repair.

Pontiac Dealer

In 1946 H. and H. received a dealer franchise from the Pontiac Division of General Motors and last year secured an additional franchise for the Vauxhall, a small economy 4-door car with full-size seating for four persons. The Vauxhall is a General Motors product.

Hutchison moved H. and H. from Race Horse Alley in 1916 when he secured quarters in the Buick building at the rear of Epley's garage. In 1926 the shop was again moved, this time to its present location.

William E. Hutchison, a son of the owner, is now associated with his father in the operation of the business. He had been formerly employed by the Chevrolet Motor Division of General Motors in the Chicago zone for eight years.

Steel Strike At A Glance

By THE ASSOCIATED PRESS

IDLE: Half a million striking United Steelworkers and about 107,000 employees in allied industries. Strike is 28 days old.

NEGOTIATIONS: Chief federal mediator Joseph P. Finnegan and Union President David J. McDonald were missing Monday as joint industry-union talks resumed in New York following a weekend recess.

OTHER DEVELOPMENTS: McDonald toured union locals in the Pittsburgh district Monday, plans similar visits to Youngstown, Ohio; Detroit and Birmingham, Ala. Referring to talks in New York, he said he "got sick of that show."

LOSSES: Industry losses amount to about 300 million dollars worth of business a week; strikers' losses total nearly 70 million in wages each week.

ISSUES: Union seeks a 15-cent-an-hour wage hike and fringe benefits. Industry balks, claiming higher labor costs will force steel prices upward and cause inflation.

Safety Leaders And Cities Shine

By MARTHA JOHNSON

Safety Consultant

Congratulations are in order to drivers in Detroit and Chicago. The two cities share the title of "safest big city in which to drive so far this year," according to the National Safety Council.

And it's you, the motorist, who helped achieve this record.

Congratulations also:

To the Catholic High School in Bennington, Vt., and Father Gerard Brennan, who sponsored a safe-driving demonstration for students. The program, designed to disprove the old notion that a car can be "stopped on a dime," was preceded by a student assembly during which students were briefed on the demonstration and heard an illustrated talk on the importance of driver attitudes.

To J. Edgar Hoover, chief of the Federal Bureau of Investigation, who classified traffic violators as the nation's "Public Enemy Number One," saying, "The automobile assassin is a vicious criminal."

To Charles Goodwin, traffic writing in "Highway Highlights." He says: "The most skillful driver is not necessarily the best or safest driver. In fact, a skillful driver sometimes tends to rely on his skill instead of employing courtesy, patience, respect for law, common sense and other qualities which are even more important than skill in avoiding accidents."

To members of the Illinois Editorial Highway Traffic Safety Seminar for helping "Save More Lives in Illinois" by opposing changes in the state's motor scooter law which would "allow more young people to risk their lives and those of others on the vehicles of death."

MOTORISTS: Did you know that 9 out of 10 pedestrians killed in traffic accidents never have been licensed to drive a car. These figures are the result of a recent study made by the Union Foundation for Traffic Safety.

In view of this, the best rule is to assume that every pedestrian is a non-driver and not too well acquainted with safety rules. Remember, too, that your car is several thousand pounds of metal as compared with man's average weight of 160 pounds—of flesh and bones.

HARD TALKING AHEAD FOR IKE IN W. EUROPE

By JOHN GALE

LONDON (AP) — It looks as if President Eisenhower will be forced into some hard and possibly defensive talking on his coming visits to Paris and Bonn.

Qualified informants expressed belief Monday that both President Charles de Gaulle of France and West German Chancellor Konrad Adenauer have plenty in store for the American leader—and that some of it won't be so pleasant to hear.

These informants said De Gaulle will not confine himself to talk about Eisenhower's exchange of visits with Nikita Khrushchev.

KEEP IN MIND the non-driver is most unpredictable and that he may

... pop out from between parked cars.

... be a child, concentrating on play rather than safety.

... be elderly, with failing sight and hearing, and with slow reactions.

... have had too much to drink, thus reduced alertness.

... be impatient for the traffic light to change and try to "beat" it.

... not know pedestrian laws and feel "the pedestrian is always right."

... be a jay-walker.

... have on dark clothing and be almost invisible at night.

BUT, MOST OF ALL, remember the pedestrian is a fellow human.

They said he will use the opportunity to argue his demands for a bigger French say in NATO, an issue sharply focused by France's refusal to let American nuclear warheads be stored on her soil.

Adenauer Unhappy

Adenauer is considered to be basically unhappy about the Eisenhower-Khrushchev exchange. This belief has persisted although West German Foreign Minister Heinrich Von Brentano stated Friday his government welcomes and regards it as useful.

Some British newspapers reported both Adenauer and Von Brentano are under fire within their own Christian Democratic party for failing to prevent the exchange.

They say Adenauer is disturbed as the late John Foster Dulles' policy of keeping the Soviets at a distance appears to give way to a more flexible era of negotiation.

Big 4 To Big 2

In contrast, Eisenhower's visit to Britain at the end of this month is expected to be uncomplicated.

There have been isolated complaints that the Big Four is becoming the Big Two and that Khrushchev has achieved his long standing aim of a face-to-face meeting with Eisenhower without giving anything away.

But the general tone of press comment from right to left has been warm and optimistic. Prime Minister Macmillan who himself visited Moscow in February has officially welcomed the exchange.

The Labor party's foreign affairs spokesman, Aneurin Bevan, wrote in a Sunday newspaper that "the personal exchanges between the two should create a welcome oasis in the otherwise arid desert of existing international relations."

FAYETTE D. A. IS CHARGED ON 10 COUNTS

UNIONTOWN, Pa. (AP) — Dist. Atty Joseph Kovach of Fayette County has been charged with 10 counts of violating the State Election Code.

The charges, filed Saturday by state police, involve the handling of funds during the May 19th primary election campaign.

Charges against Kovach include handling of funds for other candidates without being authorized to do so, making payments for primary expenses without vouchers or receipts, and filing an account of election expenses which was "false, incomplete and inaccurate."

Claim "Dirty Politics"

Kovach lost out in his bid for renomination on the Democratic ticket to Atty. John R. Hoye. He later was named by the Republican Party as a candidate for judge in the upcoming November election.

Alderman Catherine McCormick released Kovach in \$1,000 bond pending a hearing later this week.

Kovach said "dirty politics" was behind his arrest.

"What the courthouse gang is trying to do is have me removed and a friendly prosecutor substituted in the case involving misuse of funds for a so-called fairgrounds," said Kovach, adding:

"The county commissioners spent more than \$80,000 on the fairgrounds, which consist of a few acres of barren clay with one building and two outhouses."

DOUBTS ABOUT PEACE SCARE ON WALL ST.

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP) — The stock market's peace scare is bringing forth a bevy of doubters.

Everyone hopes that the Eisenhower-Khrushchev talks can live up to advance billing and lead to a thaw in the cold war. But just how much of a thaw is likely and how it would affect American industry is another matter.

Those who doubt that more than a temporary thaw can be expected have precedents for their views. They can point to the last summit meeting in Geneva where Soviet promises were made—and later broken.

Might Drop Ten Billion
And if the forthcoming talks bring more promises, there's considerable difference of opinion as to how much of a cut in defense spending would follow.

Some believe the most that could happen would be a drop in defense spending of around 10 billion dollars a year. That is the amount that it fell in the two years after the end of the Korean war.

Those two years saw the 1953-54 recession. But they also saw the start of the business boom that lasted into 1957.

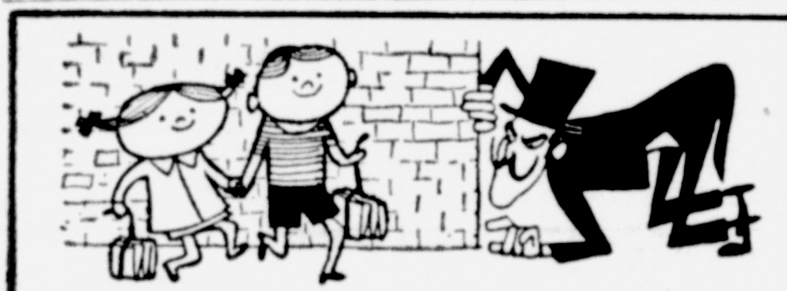

Boosted By Sputnik
And with the launching of the first sputnik came the big build-up in U.S. defense spending that has thrown the federal budget out of kilter and stifled hopes for tax cuts.

Supposing that the Eisenhower-Khrushchev talks do lead to a cold war thaw that looks trustworthy, what would happen to the economy?

TIO TO GATHER FACTS ABOUT TV INDUSTRY

By CHARLES MERCER
NEW YORK (AP) — Many people are fond of saying what's wrong with television. Few bother to say what's right with it — often because they don't know the facts about it.

Now there is being formed the Television Information Office, supported by the industry, which will collect coordinate and disseminate facts and trends in American TV.

The idea was endorsed at the annual convention of the National Assn. of Broadcasters last spring. Subcommittees explored the various problems connected with it. As soon as a director has been appointed, the TIO will begin its work in New York with an annual budget of between \$600,000 and \$700,000.

FINSTERWALD WINS \$8,000 AT CLEVELAND

Associated Press Sports Writer
CLEVELAND, Ohio (AP) — Dapper Dow Finsterwald, with \$8,000 of Cleveland Open golf winnings in his wallet, flew home to Tequesta, Fla., Monday to see his wife and three youngsters.

The rest of the touring professionals headed for Detroit and the Motor City Open. Finsterwald will fly back and play there without benefit of a practice round over the unfamiliar layout.

Dow, the 1958 PGA champ from Athens, Ohio, roared from a seventh place deadlock and a three-stroke deficit Sunday to take the \$25,000 Cleveland event in a hair-raising finish. He had a closing 68, three under par for the 6,960-yard Seneca course and an eight under par total of 276.

Gene Littler, the 1953 amateur king from Singing Hills, Calif., wound up a stroke back, tied with Mike Souchak, the former Duke footballer from Grossinger, N.Y.

Finsterwald, runnerup in 20 tournaments since he hit the trail in 1952, thought he was second again when he took his lone bogey on the closing hole, where he blasted a trap shot far over the green. But his challengers failed to take advantage of the lapse and Dow picked up the \$3,500 top prize, a bonus of \$5,000 for repeating his 1956 victory and \$300 in appearance money.

For a 28-year-old whose dad wanted him to study law, Finsterwald has found golf a gold mine. Since taking the tour seriously in 1955, when he came out of the military service, he has picked up \$157,713 in tournament winnings.

SCRANTON, Pa. (AP) — A four-alarm fire caused an estimated \$300,000 damage Monday night at the K&K Auto Parts Store here. Almost all the firefighting equipment in the city was called out. The flames were confined to the one-story building, but patrons of a nearby tavern and a hotel were ordered out as a protective measure.

NAVY BOMBER LIMPS TO HILO

HONOLULU (AP) — Navy Neptune patrol bomber limped 1,100 miles on one engine Monday and landed safely at Hilo after a seven-hour struggle to stay aloft.

The big two-engine plane, out of Whidbey Island, Wash., and on a flight from Alameda, Calif., to Barbers Point Naval Air Station here with 10 men aboard, reported it had lost an engine as it passed the halfway point of no return on the 2,400 miles flight.

The pilot, Lt. (J.G.) Braden R. Briggs, found one engine too weak to keep his craft steady at 1,000 feet, so he used his auxiliary jets to boost himself up. But his plane kept losing altitude and his jet fuel ran out. By the time he was still 400 miles out he was cruising at 250 feet, riding the cushion of air above the water.

A naval spokesman said the last 40 miles was at the 100 foot level. He landed at Hilo on the big island of Hawaii as three rescue planes escorted him in.

Parents motored out of Rasmussen's home village of Sogne, near here for a week of privacy.

Wills Big Sum To Surgical Research

PITTSBURGH (AP) — A Pittsburgh lawyer has bequeathed \$1,173,000 for brain surgery research apparently because of sympathy for a small girl he never knew.

Atty. Walter L. Copeland made the stipulation in his will before he died last March 5. The will didn't give the reason for the bequest, but Copeland's brother, the Rev. Dr. Clyde Copeland, explained it this way Saturday:

Twelve years ago a 10-year-old girl, a member of Dr. Copeland's congregation, lived in agony for five months after undergoing brain surgery and finally died.

Dr. Copeland discussed the case several times with his brother, and he apparently was deeply affected. After the girl's death, Copeland went to the funeral home and talked with the child's parents.

Say Censorship Bill Unworkable

PITTSBURGH (AP) — Thirty-three Allegheny County lawyers contend that a movie censorship bill passed by the State Senate is unworkable and unconstitutional.

In a resolution sent to the House Monday, the lawyers said: "Instead of aiming at the real purveyors of pornography, the bill provides for control of a medium which is actually free from obscenity — namely, legitimately produced commercial motion pictures."

The lawyers urged passage of an anti-obscenity bill that would cover all media, including radio, television, newspapers and movies.

SWIMS 14 MI. UNDER WATER

PENSACOLA, Fla. (AP) — Pretty 24-year-old Jane Baldasare today claimed the record for underwater swimming — 14 miles without surfacing.

The mermaid, a former beauty queen and part-time model, said she planned a vacation somewhere near the water "but if somebody breaks my record, I'll try it again."

Mrs. Baldasare rose to the surface of Sabine Bay Sunday after 21 hours and 17 minutes in the drink.

She bettered the listed record of 13.2 miles set by her husband, Fred, at Ft. Rucker, Ala., earlier this summer. In so doing, she doubled the women's mark of 7 miles set by Ginger Stanley at Silver River, Fla., in 1955.

Mrs. Baldasare entered the water at 3:52 (CST) Saturday afternoon and emerged at 1:09 p.m. Sunday.

ROME (AP) — The Rome Appeals Court has confirmed that the slim figure of soprano Maria Meneghini Callas doesn't owe anything to Prince Marcantonio Pacelli's nonfattening spaghetti.

A court ruling was made public today affirming that Pacelli's pasta company damaged Miss Callas' "decorum" by advertising that its "physiological pasta" had taken 44 pounds off the once-hefty opera star. The court ordered the two sides to negotiate the amount of damages.

FIRE POLICE BILL SIGNED

HARRISBURG (AP) — A new law signed by Gov. Lawrence puts the State Board of Fire Directors under jurisdiction of the Public Instruction Department instead of the Health Department.

Lawrence said Monday the change will enable the board to take advantage of modern equipment available in the education agency for speeding administrative tasks.

The governor also signed laws that:

Extend to special fire police power to perform special duties requested by municipal authorities such as controlling crowds at fairs and carnivals.

Give the Italian American World War Veterans of the United States, Inc., official sanction to conduct a flower sale to aid its disabled members and prohibit other veterans' groups from selling the daisy for this purpose.

JULIE ANDREWS TO TAKE REST

LONDON (AP) — Julie Andrews took up the role of housewife full time Monday after shedding the rags of Eliza Doolittle, the role in "My Fair Lady" that rocketed her to international stage fame.

The 24-year-old singing actress said she plans to take a long rest, spending "just a quiet and ordinary time with my husband," stage designer Tony Walton, whom she married last May. She apparently has no immediate plans for a new part.

Tears streaming down her face, Julie took her final curtain call in "Fair Lady" Saturday night, after 3½ years before New York and London audiences.

Anne Rogers, another British girl who has played "My Fair Lady" in the United States, takes over as Eliza tonight.

Three Pan American World Airways planes — two of them bound for New York — were delayed several hours Monday after someone telephoned that a bomb was on board a plane. Baggage was

ROCK 'N' ROLL SINGERS HELD WITH 4 GIRLS

CINCINNATI (AP) — Four members of The Platters, a nationally known rock 'n' roll singing group, have been freed on bond under charges of aiding and abetting prostitution.

A professional bondsman put up \$1,000 bond each Monday for David Lynch Jr., 30, and Tony Williams, 31, of Hollywood, Calif., Herbert A. Reed, 31, Los Angeles, and Irvin Robi, 26, of El Centro, Calif.

Vice squad detectives arrested the four Negro singers in a raid early Monday at a downtown hotel.

Four 19-year-old girls, three white and one Negro, were also arrested and charged with engaging in prostitution. They were held under \$1,000 bond each.

The singers said they had just completed a three-day engagement at the Copa Club in nearby Newport, Ky.

MANILA (AP) — More than 1,000 Philippine army troops took over police duties in the northern Luzon province of Ilocos after killing of six persons in the past three weeks. At least four of the deaths were blamed on politics.

HOOVER SAYS THAT "K" HAS OPPORTUNITY

NEW YORK (AP) — Herbert Hoover, 85 Monday, says Nikita Khrushchev could bring with him to the United States the greatest gift mankind has received in 1,000 years — peace.

"But this is unlikely to be the result of this visit," the former President added.

"He could interpret his oft-repeated statement as to peaceful coexistence," Hoover said Sunday, "as eliminating all international demands, all warnings, all threats, and all conspiracies against free people."

Not Very Likely

Such a move, said Hoover, could win the Soviet premier "immortality among the leaders of all men."

But, he added, the possibility that Khrushchev would make such a move is remote because "the tactics of the Communists may change, but their determination to dominate the world continues."

Hoover appeared on "Meet the Press" over NBC-TV.

Next Oldest President

Only one other former president, John Adams, celebrated more birthdays than Hoover. Adams died when he was 90.

The ruddy-faced, white-haired Hoover has a simple formula for longevity — work. He illustrates it today by spending his birthday at his desk.

He keeps six secretaries busy with his massive correspondence and activities in various organizations.

Outspoken On Education

He indicated in the interview that he was confident of America's ability to meet any crisis that might occur, and to defend herself successfully if necessary. But he also saw room for improvement.

He saw need to curb "inflation, unbalanced budgets, overspending by Congress, and the growth of crime." He was outspoken on the need for improving the American

RACE TIGHTENS IN DEMOCRATIC FIELD FOR '60

By JACK BELL

WASHINGTON (AP)—The contest for the Democratic presidential nomination appears to be tightening, with indications that top contenders may be able to push some favorite sons out of the running early in 1960.

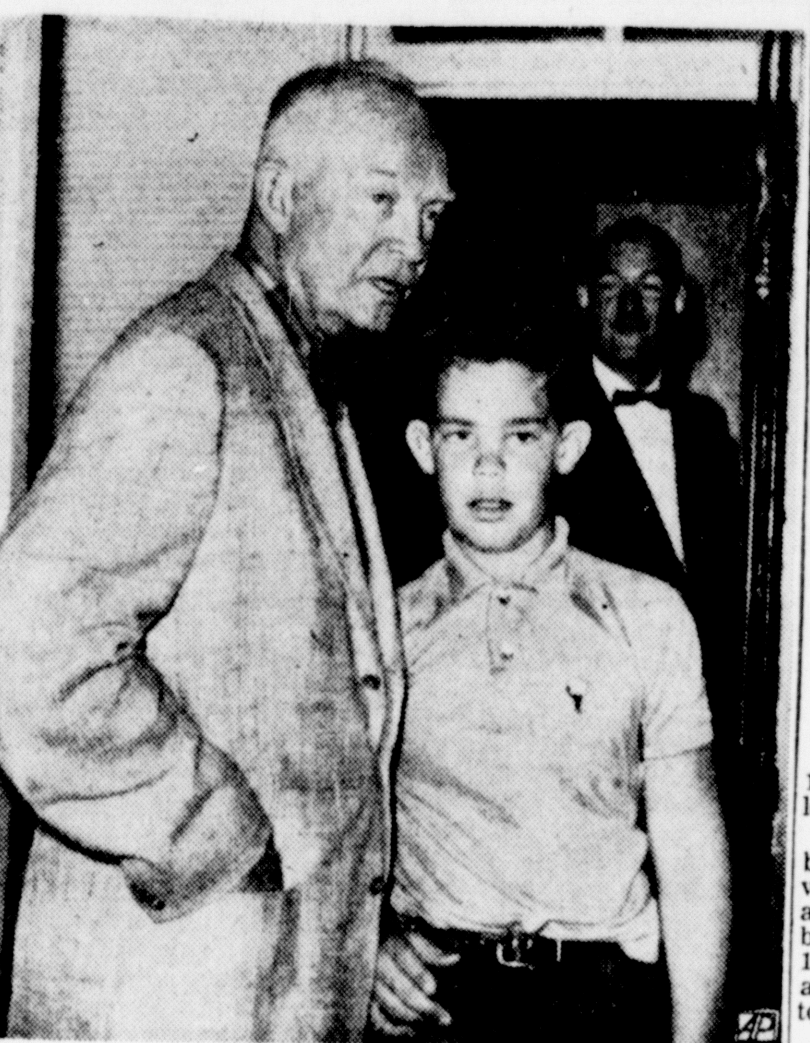

The 51st Annual Governors' Conference in San Juan, Puerto Rico, last week gave little apparent support to the aspirations of Democratic Govs. Robert B. Meyer of

Rd., left Sunday to attend the Co-operative Institute at Urbana, Ill.

Mr. and Mrs. Merle Feeser and daughter, Tina, York, visited Sunday with Mr. Feeser's parents, Mr. and Mrs. Henry Feeser, Keymar Rd.

Recent dinner guests of Mr. and Mrs. Oliver C. Cashell, R. 2, were Mrs. Samuel Nicholson and Mrs. Adela Buehm, Olney, and Mrs. Joseph Hutton, Brookville. Mr. and Mrs. Paul Bogley Darnes, town; Mr. and Mrs. William Alberton and twin sons, Norbeck, Md., and Mr. and Mrs. Josiah Gilfrin, Olney, were weekend guests.

New Jersey and G. Mennen Williams of Michigan.

Meyer and Williams were unusually vocal in conference sessions but it was not noticeable that they made any political headway. Neither was there any outward surge of support for any of the other potential candidates.

Wide Kennedy Backing

Among the Democratic governors there was a recognition that Sen. John F. Kennedy (D-Mass.) has at least secondary support in all the favorite son states. There was also an awareness of a continuing strong sentiment for Adlai E. Stevenson, who says he isn't making a third try for the party's nomination.

Gov. Orville L. Freeman of Minnesota got a polite reception—but no public recruits—when he sang the praises of Sen. Hubert H. Humphrey (D-Minn.). Humphrey is billing himself these days as a sort of favorite son of the Middle West.

Test In Wisconsin

Humphrey is pitching his entire campaign on the assumption he can beat Kennedy in the April 5 Wisconsin primary. If he should lose there, he probably would be out of the race quickly.

Kennedy is almost certain to challenge Gov. Michael V. DiSalle in Ohio's May 3 primary if the latter assays a favorite son role.

There have even been hints that Kennedy might take on Meyer in New Jersey's April 19 primary, although the result of the vote would not be binding on the delegates.

MAY DECLARE U. S. POSITION ON DICTATORS

By STANFORD BRADSHAW

SANTIAGO, Chile (AP)—Secretary of State Christian A. Herter, flying here today for the Inter-American Conference of Foreign Ministers, was reported considering making a strong declaration of U.S. opposition to dictatorships. Herter was due late this afternoon in the Chilean capital after a night's stopover in Puerto Rico. Leaving Washington, he said the conference should take a candid look at troubles plaguing the Caribbean area and adopt measures to deal with them.

Puerto Rico's Gov. Luis Munoz Marin, who talked with Herter in Washington Sunday, said the secretary likely would make clear that the United States does not coddle dictators.

Accused Of Favoritism

Numerous Latin Americans have accused the United States of showing open favoritism to such dictators as former President Fulgencio Batista of Cuba, Marcos Perez Jimenez of Venezuela, now an exile in Florida, the Dominican Republic's Rafael Trujillo and Nicaragua's Luis Somoza.

Castro Busy At Home

Presumably any U.S. declaration will be worded in general terms with no names called. Both Trujillo and Somoza are still in office, and any direct attack on them would bring accusations of U.S. interference in domestic affairs of other nations, as well as imperil relations between Washington and the Dominican and Nicaraguan governments.

One potential source of fireworks at the conference was removed Monday night. Cuba's ambassador announced that Prime Minister Fidel Castro would not attend. Apparently Castro is too busy at home, where his government claims it has just smashed a major plot by counter-revolutionaries.

The meeting was called after a series of invasions by political exiles trying to overthrow the Trujillo and Somoza regimes and the Panamanian government.

Herter, first U.S. secretary of state ever to visit Chile, was expected to swing soon after his arrival into private talks with various foreign ministers on the problems before the conference.

The U.S. secretary is scheduled to reply on behalf of all the ministers Wednesday when Chile's President Jorge Alessandri opens the conference. But U.S. sources said his major speech will come after the meeting gets down to real business.

MURIEL MILES ENDS HER LIFE

NEW YORK (AP)—"Apparent suicide, overdose of pills," was the laconic police report.

For the trim figure on the bed, clad in a white negligee, it was the end of a struggle with loneliness and despair, fought in the shadow of advancing age.

More than 30 years ago Muriel Miles was a much-admired Ziegfeld Follies beauty. From the bright lights of Broadway she went to Paris, and was the toast of French gambling casinos.

But the bright lights faded, and she returned to New York.

Years passed. Almost before she knew it, she was 59.

"I am too lonely and insecure to fight on in a losing game," she wrote in her final note. "I can't look forward to dragging myself around as an old, forlorn bat."

Police said she had arranged more than a year ago for a modest funeral. The cost will be met by life insurance.

In her apartment Monday police found clothing, some jewelry and a bankbook.

Her bank balance was \$65.

PROD FAUBUS ON SCHOOLS; OPENING SOON

LITTLE ROCK, Ark. (AP)—Segregationists rounded up support today for a rally on the state capital lawn to ask Gov. Orval E. Faubus to "do something" about impending integration of two Little Rock white high schools. The schools are to open Wednesday.

Margaret Jackson, president of the League of Central High Mothers, said she had had "dozens of calls" from people wanting to know what could be done to stop integration.

"So in response to this," she said, "we are inviting every patriotic citizen to meet us on the state capital grounds to pay tribute to our great governor and tell him that we need and want his continued leadership in our fight

Dangerous Mental Patient On Loose

READING, Pa. (AP)—State police today pressed a search for an escaped mental patient with a long record of violence and convictions for murder and bank robbery.

William J. Bishop, formerly of Lebanon, escaped Monday from the Wernersville State Hospital.

Bishop, 62, was convicted in 1924 for the slaying of a quarry worker at Palmyra. He was sentenced to death, but the penalty was commuted to life imprisonment. He served 13 years in prison on the conviction.

MCDONALD HAS QUIT STEEL TALKS IN N. Y.

NEW YORK (AP)—The head of the striking steel union has stepped out of the contract talks here—temporarily at least—and left a "second string" of negotiators to represent the union.

The industry rebuked him for staying away, and answered his blast at the caliber of the industry negotiating team.

David J. McDonald, president of the United Steelworkers Union of America, said in Pittsburgh Monday:

"I got sick of that show in New York. I will talk to people in liaison. I have no immediate plans for returning to New York."

R. Conrad Cooper, top industry negotiator and executive vice president of the United States Steel Corp., came back with his reply for the industry:

"Mr. McDonald knows full well that the four-man negotiating team designated by 12 steel companies to handle the collective bargaining on their behalf has full authority to deal with the United Steelworkers Union."

"Mr. McDonald's efforts to downgrade the companies' negotiating team to the status of messenger boys is unfortunate because sooner or later he must confront his responsibility to bargain with this team."

Finnegan Returns
Despite the bitter new clash between industry and union in the four-week-old strike, federal mediators continued efforts to settle the dispute.

The mediators scheduled another joint negotiating session today.

Robert Moore, chief deputy to Joseph F. Finnegan, director of the federal mediation and conciliation service, reported a certain amount of progress Monday on contract details and language. He said, however, that there was "no progress on the question of the basic economic differences of the parties."

Moore sat in on the negotiations because Finnegan was in Washington conferring with Budget Bureau officials on additional funds for his agency.

Finnegan said he would resume personal direction of the contract talks here today.

Has Been Silent
Faubus has remained silent on his plans to take a hand against the impending desegregation. But he has said he does have plans. The governor stopped integration in the high schools last fall by closing them. But the law he used has been struck down by federal court.

The Little Rock school board issued a statement saying it was confident "the people of Little Rock will accept this challenge to resume the peaceful operation of its high schools. There is no reason to anticipate anything else."

The school board has assigned three Negroes to Central and three to Hall high. It used a court-approved pupil placement law to keep out some 55 other Negroes who applied to attend the white schools.

FIREMEN GATHER
HUNTINGDON, Pa. (AP)—Del-e-gates began registering here today for the 67th annual convention of the Central District Firemen's Assn.

The convention will elect officers Wednesday. A feature of the three-day meeting will be a parade on Thursday night with cash awards totaling \$1,620.

Some 800 delegates are expected from Blair, Cambria, Centre, Clinton, Clearfield, Elk, Huntingdon, Indiana, Jefferson, Lycoming, Mifflin, McKean, Montour, Snyder, Union and

Abbottstown

ABBOTTSTOWN—Biscuit making was the project for the Abbottstown 4-H Club which met recently at the home of Joan Pausch with nine members and one visitor present. The next meeting will be at the home of Gloria Breighner.

Mr. and Mrs. Oscar Griffin visited their daughter, Mrs. Wilbur Little, and family, Waynesboro, Friday.

Prof. George Haines, Detroit, Mich., has departed for home following a visit with his mother, Mrs. Helen Haines, here.

Carnival Successful

The firemen's carnival netted about \$500, George M. Wildasin, chairman for the affair, reported at the recent meeting of the Abbottstown Fire Co. This does not include the part of the event which was conducted by the auxiliary.

Solicitation, with a few calls to be made, has brought in more than \$900, an amount about 15 per cent less than last year, it was reported.

Two drivers were added to the list, Henry Landis Jr. and Adrian Miller. The Flaming Knights were granted the use of the fire hall for one dance in return for their help and the use of their equipment during the carnival.

Aid Has Picnic

The Ladies Aid Society of Emmanuel United Church of Christ held a family picnic at the home of Mr. and Mrs. Curtis Hildebrand Sunday evening.

Mr. and Mrs. George S. Nagle, North Fork, Long Island, N. Y., were weekend guests of Miss Irma Nagle and were entertained Saturday evening at the home of Mr. and Mrs. Gilbert Zeigler and son. Sunday they were honored at a family party at the home of Mr. and Mrs. Ralph Buti, Hanover.

THIS, TOO, IS TEXAS EASTERN

It Takes A Million Miles Of Driving Every Month To Run Texas Eastern

If you live anywhere near a Texas Eastern pipeline — either our gas transmission system or our "Little Big Inch" petroleum products pipeline — chances are you see a goodly number of motor vehicles bearing the familiar double-circle Texas Eastern insignia.

Statistics say you should. In a month — according to our Transportation Department — some 850 Texas Easterners drive company vehicles more than a million miles on company business.

They do it in 395 passenger cars of varied types, 317 trucks (also assorted) — and on one motorcycle.

This explains — partly — why the Texas Eastern Transportation Department of some 60 persons has about 35 qualified mechanics on the roster.

They perform a continuing ritual, called "preventive maintenance," designed to keep every piece of equipment in top operating condition. And they are as concerned with the appearance of equipment as with its performance. Texas Eastern cars are always shiny and clean — inside and out.

This care for appearance is more than just a "nice idea." Somehow — when you put an average driver behind the wheel of a car he can be proud of — one that runs well and looks handsome — that driver becomes a superior operator, considerate of others and of the machine he's driving.

So, we don't know whether our long-life equipment record is 90% due to good mechanical care and 10% to good driving — or vice versa. But we do know this: we average 70,000 miles of operation per vehicle — generally without a major overhaul. And last year, not a single accident occurred that was chargeable to equipment failure.

All of which puts a big gold star on the report card of the Texas Eastern Transportation Department — in the eyes of safety engineers, auditors, stockholders, and... we truly hope... you neighbors who are sharing highways, byways and city streets with our drivers.

This is one of a series of monthly reports on the diversified activities of Texas Eastern Transmission Corporation.
